Dear St. Joseph Families,

WELCOME TO OUR 2019 – 2020 SCHOOL YEAR!

We are excited to welcome you to campus as school begins on Wednesday.

Many thanks to all of our families who were able to come work with us on Saturday at our school clean up day. We had families cutting, stapling, organizing, raking, planting, moving, hauling, cleaning, sweeping, and helping our teachers in countless ways. We are most grateful!

Sunday we had our Open House for the new STEM lab. The area was blessed by Father Robert and many families and parishioners enjoyed treats and a first look at the new space. STEM classes will be held for all of our students PK – 8th grade.

What a great turnout on Monday for our supply drop off and back to school fair. What a great start to our year!

Please see information on the following page to help make our first days smooth! See you soon!

I have a very open door policy! Please never hesitate to call, email, or come to my office. I have a strong commitment to Catholic education and the importance of Catholic schools. I am committed to creating a community of faith, compassion, respect, and collaboration.

Peace and joy,

Mrs. Van Loan, Principal

VOLUNTEERS NEEDED FOR LUNCH

Land's End

We received notice that Land's End is having trouble filling some orders. If you ordered Mass shirts from Land's End and you received an email stating the order was delayed, please let your child's teacher know. If your child has a white polo to wear on Friday that is fine. If not, please have your child wear a St. Joseph Catholic School blue polo.
