The mission of Protect Young Eyes is to show families, schools and churches how to create safer digital spaces. This is accomplished through a website, presentations, and a learning community dedicated to learning how to be a “digital coach” for our children not a controller in order to keep families connected and protected.

What is a Holy Moment? A Holy Moment is a single moment in which you open yourself to God. You make yourself available to him. You set aside personal preference and self interest, and for one moment you do what you prayerfully believe God is calling you to do. Every week we will provide you with a prompt to discuss with your family as we work together creating holy moments.

THIS WEEK'S HOLY MOMENTS PROMPT IS:

*Stay off social media for a day and live in the present with those around you.*

**Prayer to St. Joseph**

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted his only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy, and courage, and defend us from every evil. Amen.
