Dear St. Joseph Catholic School Families,

As we continue with our distance learning, we are continually assessing the challenges and the methods that are working; striving to make this experience as positive as possible for our entire community. We have a plan for accessing all enrichment classes that should make this easier for all students.

Beginning this week, here is the way to access ALL enrichment classes and offerings by enrichment teachers. Please watch for information from our enrichment teachers for optional extra classes they may be offering or office hours they are offering to help you with your child's learning.

1. Your child goes to their grade level Google Classroom.
2. They click on "classwork" at the top.
3. They click on the correct enrichment class on the left hand side of the screen.
4. Within that topic will be the link for the enrichment class.
  - a. As the enrichment teacher adds work into their folder the link may move down but will always be in their topic.

We appreciate your patience as we work together to streamline our classes and simplify routines.

I have a very open door policy. Never hesitate to call, email, or stop by my office.

Wishing you peace and joy,

Kathy Van Loan, Principal

## Cloth Face Coverings for Children During COVID-19

Here are a few ideas to help make them seem less scary for children:

- Look in the mirror with the face coverings on and talk about them.
- Put a cloth face covering on a favorite stuffed animal.
- Decorate them so they're more personalized and fun.
- Show your child pictures of other children wearing them.
- Draw one on their favorite book character.
- Practice wearing the face covering at home to help your child get used to it.

To protect ourselves and others from COVID -19, wearing cloth face coverings is required in Pima County. Schools are included in this order for everyone on campus aged 5 and older. This article has frequently asked questions about cloth face coverings and children during this pandemic.
