HARD HIT BY THE FIRES**

On Wednesday, September 6th, we are fortunate to have local Lions Club members come to campus to conduct vision screening for all of our students. They use a no-touch device called a SPOT Screener.

“The Spot® Vision Screener is a handheld, portable device designed to help quickly and easily detect vision issues on patients as young as six months.”

This will be conducted during school time under the guidance of the health office.

MAP TESTING TIPS

MAP (Measure of Academic Progress) is our means of assessing student progress in order to help each student move forward in their learning.

It is very important that students are at school for this assessment.

Please ensure they get a full night of sleep and eat a nutritious breakfast. Please send a water bottle as hydration is very important.

Remind your student to take the assessments seriously and to do their very best.

If you know your child will be absent in the coming weeks for an appointment or out of town, please contact your child's teacher so we may complete their assessment beforehand. The Diocese requires we have 100% of our K – 8 students assessed so it is helpful to know of preplanned absences.

Thank you for your support!

Prayer to St. Joseph

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted his only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy, and courage, and defend us from every evil. Amen.
