Dear St. Joseph Catholic School Families,

We have all of our textbooks in and ready for you to pick up. Please come to school on Monday or Tuesday between 7:30 and 4:00 to pick up materials. Please drive up to the front and come to the front gate. We will meet you there and bring your student's books to you. Please wear a face covering as we will too. If you need an alternate pick up time, please email me or call Annette at the front desk on Monday and we will arrange another time for you.

**PLEASE NOTE – BEGINNING WEDNESDAY, TEACHERS WILL BE USING TEXTBOOKS FOR CLASSES SO IT IS IMPERATIVE THAT BOOKS BE PICKED UP BEFORE THEN.**

**PK – nothing to pick up**

**K – 5 – books and materials to pick up**

**6<sup>th</sup> grade – nothing to pick up**

**7<sup>th</sup> grade – if your student does not have their history book, please come pick up a book. If they do have their history book then there is nothing else to pick up.**

**8<sup>th</sup> grade – a few students haven't picked up their planner and need to do so. ALL 8<sup>th</sup> GRADE – new religion book to pick up**

I have a very open door policy. Never hesitate to call, email, or stop by my office.

Wishing you peace and joy,

As our children spend more time on the computer, here are some resources provided to us for internet safety.

**KidSmartz** is a child safety program that educates families about preventing abduction and empowers kids in grades K-5 to practice safer behaviors. This program offers resources to help parents, caregivers, and teachers protect kids by teaching and practicing the 4 Rules of Personal Safety using tips, printable activities, quizzes, articles, music, videos, and more. [KidSmartz \(K-5\)](#)

**ConnectSafely** is a Silicon Valley, California-based nonprofit organization dedicated to educating users of connected technology about safety, privacy and security. Here you'll find research-based safety tips, parents' guidebooks, advice, news and commentary on all aspects of tech use and policy. [Connect Safely](#)

**Enough Is Enough®** understands that Internet safety is a shared responsibility between the public, the Internet industry, and the legal community. However, parents remain the 'first line of defense' in protecting their children against Internet safety dangers. As the nation's leading Internet safety organization since 1994, EIE has responded to this call for action by creating **Internet Safety 101SM**, in partnership with the U.S. Department of Justice. Through the **Internet Safety 101SM** program, EIE strives to educate and empower parents, educators and other caring adults with the information they need to effectively protect children from Internet dangers. **Bark** provides an affordable, award-winning dashboard which proactively monitors text messages, YouTube, emails, and 30+ different social networks for potential safety concerns, so busy parents can save time and gain peace of mind. [Bark](#)
