Homework & Reading Help program

The program is for learners at all grade levels, and it will run every Tuesday and Thursday afternoon from 3:30-5:30 pm

Where: Eckstrom-Columbus Library

Please check the [Pima County Library's Events Calendar](#) or call the Eckstrom-Columbus branch at (520) 594-5285 to confirm.

What we do: Help students find the resources they need to work on their homework in any core subject (math, ELA, science, history, etc.) as well as offer the opportunity to practice and hone their reading skills. In addition, we have laptops (with access to the Pima County Library's free Wi-Fi) on hand for student use and can assist learners with navigating online resources. We strive to model a growth mindset and offer a positive, supportive learning environment.

What we cannot offer: In-depth individual tutoring in specific subject areas. For example, we cannot teach a student algebra although we can help students find the tools they need to successfully complete their algebra homework.

What to bring to Homework & Reading Help: Instructions from teachers regarding homework, any relevant notes, and any relevant textbooks or packets

For general information and to confirm schedule details: Check the [Pima County Library's Events Calendar](#) or call the Eckstrom-Columbus branch at (520) 594-5285 to confirm.

If there is a heat warning,
students will have indoor recess.

Please send students with a water
bottle and remind them to take
off sweatshirts when outside. We
have water bottle filling stations
on campus.

Teachers and staff monitor
outside time closely to ensure
student safety.

FEAST OF THE ASSUMPTION OF
MARY

AUGUST 15

JOIN US FOR MASS

Prayer to St. Joseph

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted his only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy, and courage, and defend us from every evil. Amen.
