What is a Holy Moment? A Holy Moment is a single moment in which  
you open yourself to God. You make yourself available to him. You set  
aside personal preference and self interest, and for one moment you do  
what you prayerfully believe God is calling you to do.

Every week we will provide you with a prompt to discuss with your  
family as we work together creating holy moments. Week 11.

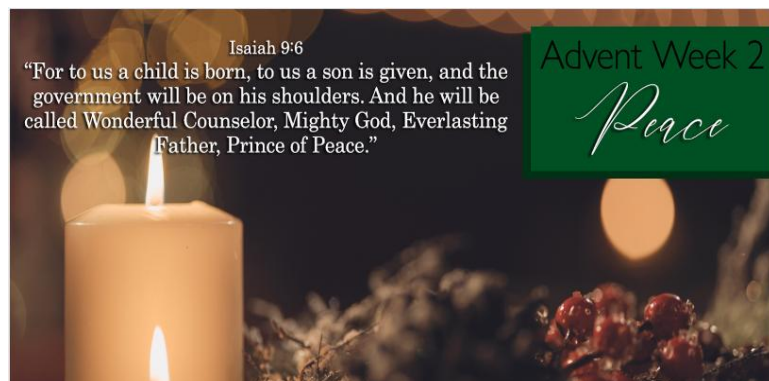

### INFORMATION FROM PROTECT YOUNG EYES

This organization is dedicated to helping create safer  
digital environments for our children

- Not every child who uses TikTok will become hooked. But the risk is too high that they will. A mostly analog childhood is **a better** way.
  - Not every child with an iPhone will look at porn. But the risk is too high that they will. A mostly analog childhood is **a better** way.
  - Not every child who plays Roblox will see creepy places and people. But the risk is too high that they will. A mostly analog childhood is **a better** way.
  - Not every child who uses Snapchat will send a nude photo. But the risk is too high that they will. A mostly analog childhood is **a better** way.
- Most of the "better" things for children - relationally, emotionally, neurologically, and spiritually - are mostly analog. #delayistheway

**Fortnite** is adding a LEGO world (whoa). This is big. Fortnite is expanding its reach into more kid-friendly experiences, starting Thursday, Dec. 7. The "world" will be rated age 10+ and resemble Minecraft, minus the gunplay. Kids will want this, which feels like a sneaky warm-up to full Fortnite ([our full Fortnite review here](#))

#### THIS WEEK'S HOLY MOMENTS PROMPT IS:

*Do something you  
love but normally  
don't do.*

### Prayer to St. Joseph

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted his only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy, and courage, and defend us from every evil. Amen.
