On Wednesday, September 6<sup>th</sup>, we are fortunate to have local Lions Club members come to campus to conduct vision screening for all of our students. They use a no-touch device called a SPOT Screener.

"The Spot® Vision Screener is a handheld, portable device designed to help quickly and easily detect vision issues on patients as young as six months."

## Catholic Schools' Second Collection September 23-24!

How can you help?

- ✚ First by donating to this second collection if you are able.
- ✚ Second, please remember our school leaders, pastors, teachers, parents, and most especially our students in your prayers.
- ✚ Third, please promote Catholic education in your community.

One of the best gifts we can offer the youth is formation in the faith that is integrated with their academic and social life through the ministry of Catholic education.

**YouTube Likely Still Violating Child Privacy.** After an ad tracking report showed adult ads were being shown in videos "made for kids," advocates urged for action. The proposed violations would be "unprecedented" in scale. Follow this link for more information on YouTube safety

## Prayer to St. Joseph

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted his only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy, and courage, and defend us from every evil. Amen.
