### Enroll Now!

Thank you to all our families who took advantage of the early bird registration. If you have not registered yet, please take the time to do so or schedule an appointment to come in for support with the process. Staffing projections will be based off the number of students we currently have enrolled for next year. I'm excited at the prospect of adding a music teacher, counselor, and intervention/resource teacher to our staff. This can only become a reality if we have everyone's registration in RenWeb and FACTS complete so please take the time to reenroll now. Thank you in advance for your support.

### Fall Fiesta, Friday, May 4 & Saturday, May 5 (Cinco de Mayo)

Fall Fiesta is fast approaching. We are still in need of volunteers for the vast setup as well as working the event itself. Please don't forget about Fiesta Material Pull Out tomorrow. Bring friends with muscles and work gloves if you have them. Please park in the north parking lot beginning at 7a.m. Even if you only have a spare hour at some point, we will take it.

### Fiesta Proceeds

One of the plans for this year's Fiesta proceeds is to purchase several water stations to be installed across campus. Here are some pics of available options.
