St Joseph Catholic School Health Office

## ***Wishing you a safe Merry Christmas and Happy New Year!***

Holiday break is here!

Take time to relax and enjoy the blessing of celebrating the  
Birth of Jesus Christ with your loved ones.

Even though this pandemic has made things difficult, it has demonstrated  
that hope, love, kindness, honesty and humbleness can strengthen  
a community that is willing to strive in time of adversity.

Parents, students and staff have successfully worked together in  
keeping all of us safe here at St. Joe's, and I ask that you continue safe practices  
during the holiday break. Please continue to enforce the 3W's when out in  
public and celebrating with people that do not live with you. Consider  
following Holiday Celebrations recommendations from the [CDC](https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/holidays.html) and  
[Pima County Health Department](https://webcms.pima.gov/cms/One.aspx?portalId=169&pageId=656472) to lower the risk of Covid.

*Reminder: The two weeks of remote learning given after the holiday break  
is to quarantine to safely return to campus. Please follow quarantine  
protocols so that the return to campus may not be delayed.*

Please keep safe and healthy and may the  
Birth of Jesus Christ bring love, hope and peace to you all.
